## How to

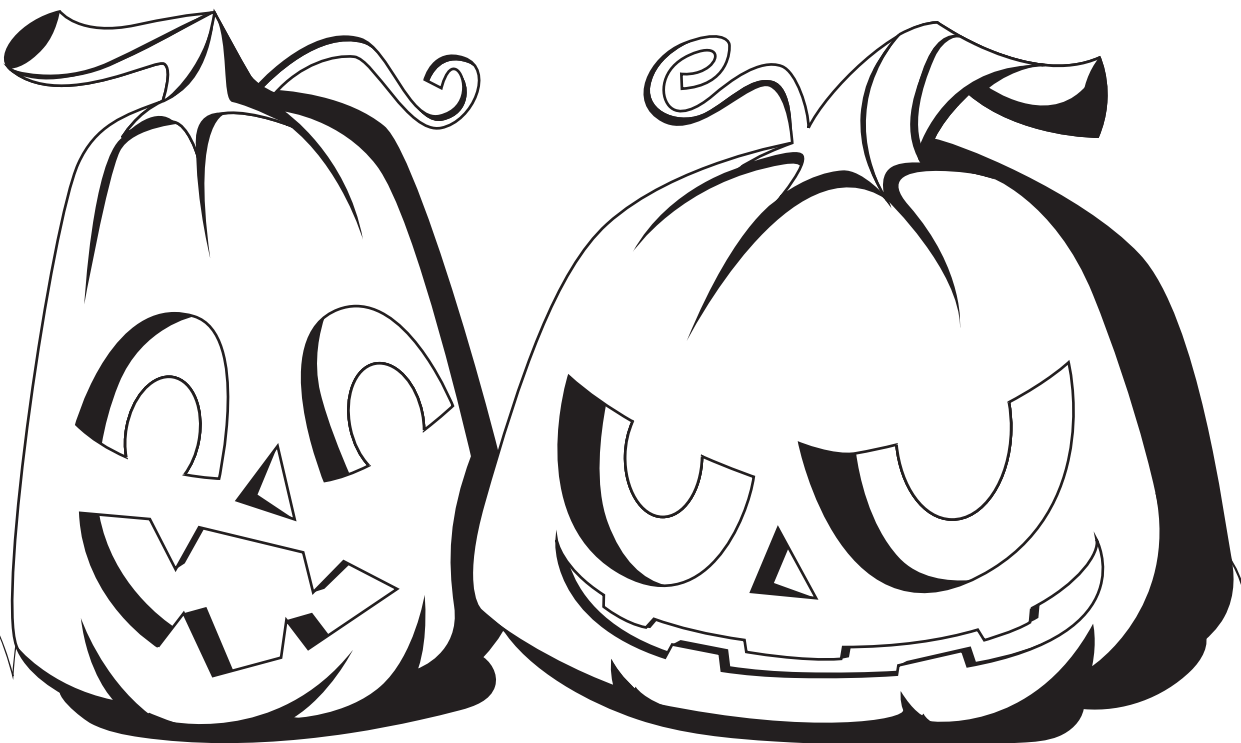

### What you will need

1. Mask printouts
2. Your favorite crayons, paints, or colored pencils
3. Sissors
4. Yarn or string
5. Hole punch

*Cut out the areas that are marked with dashed lines*

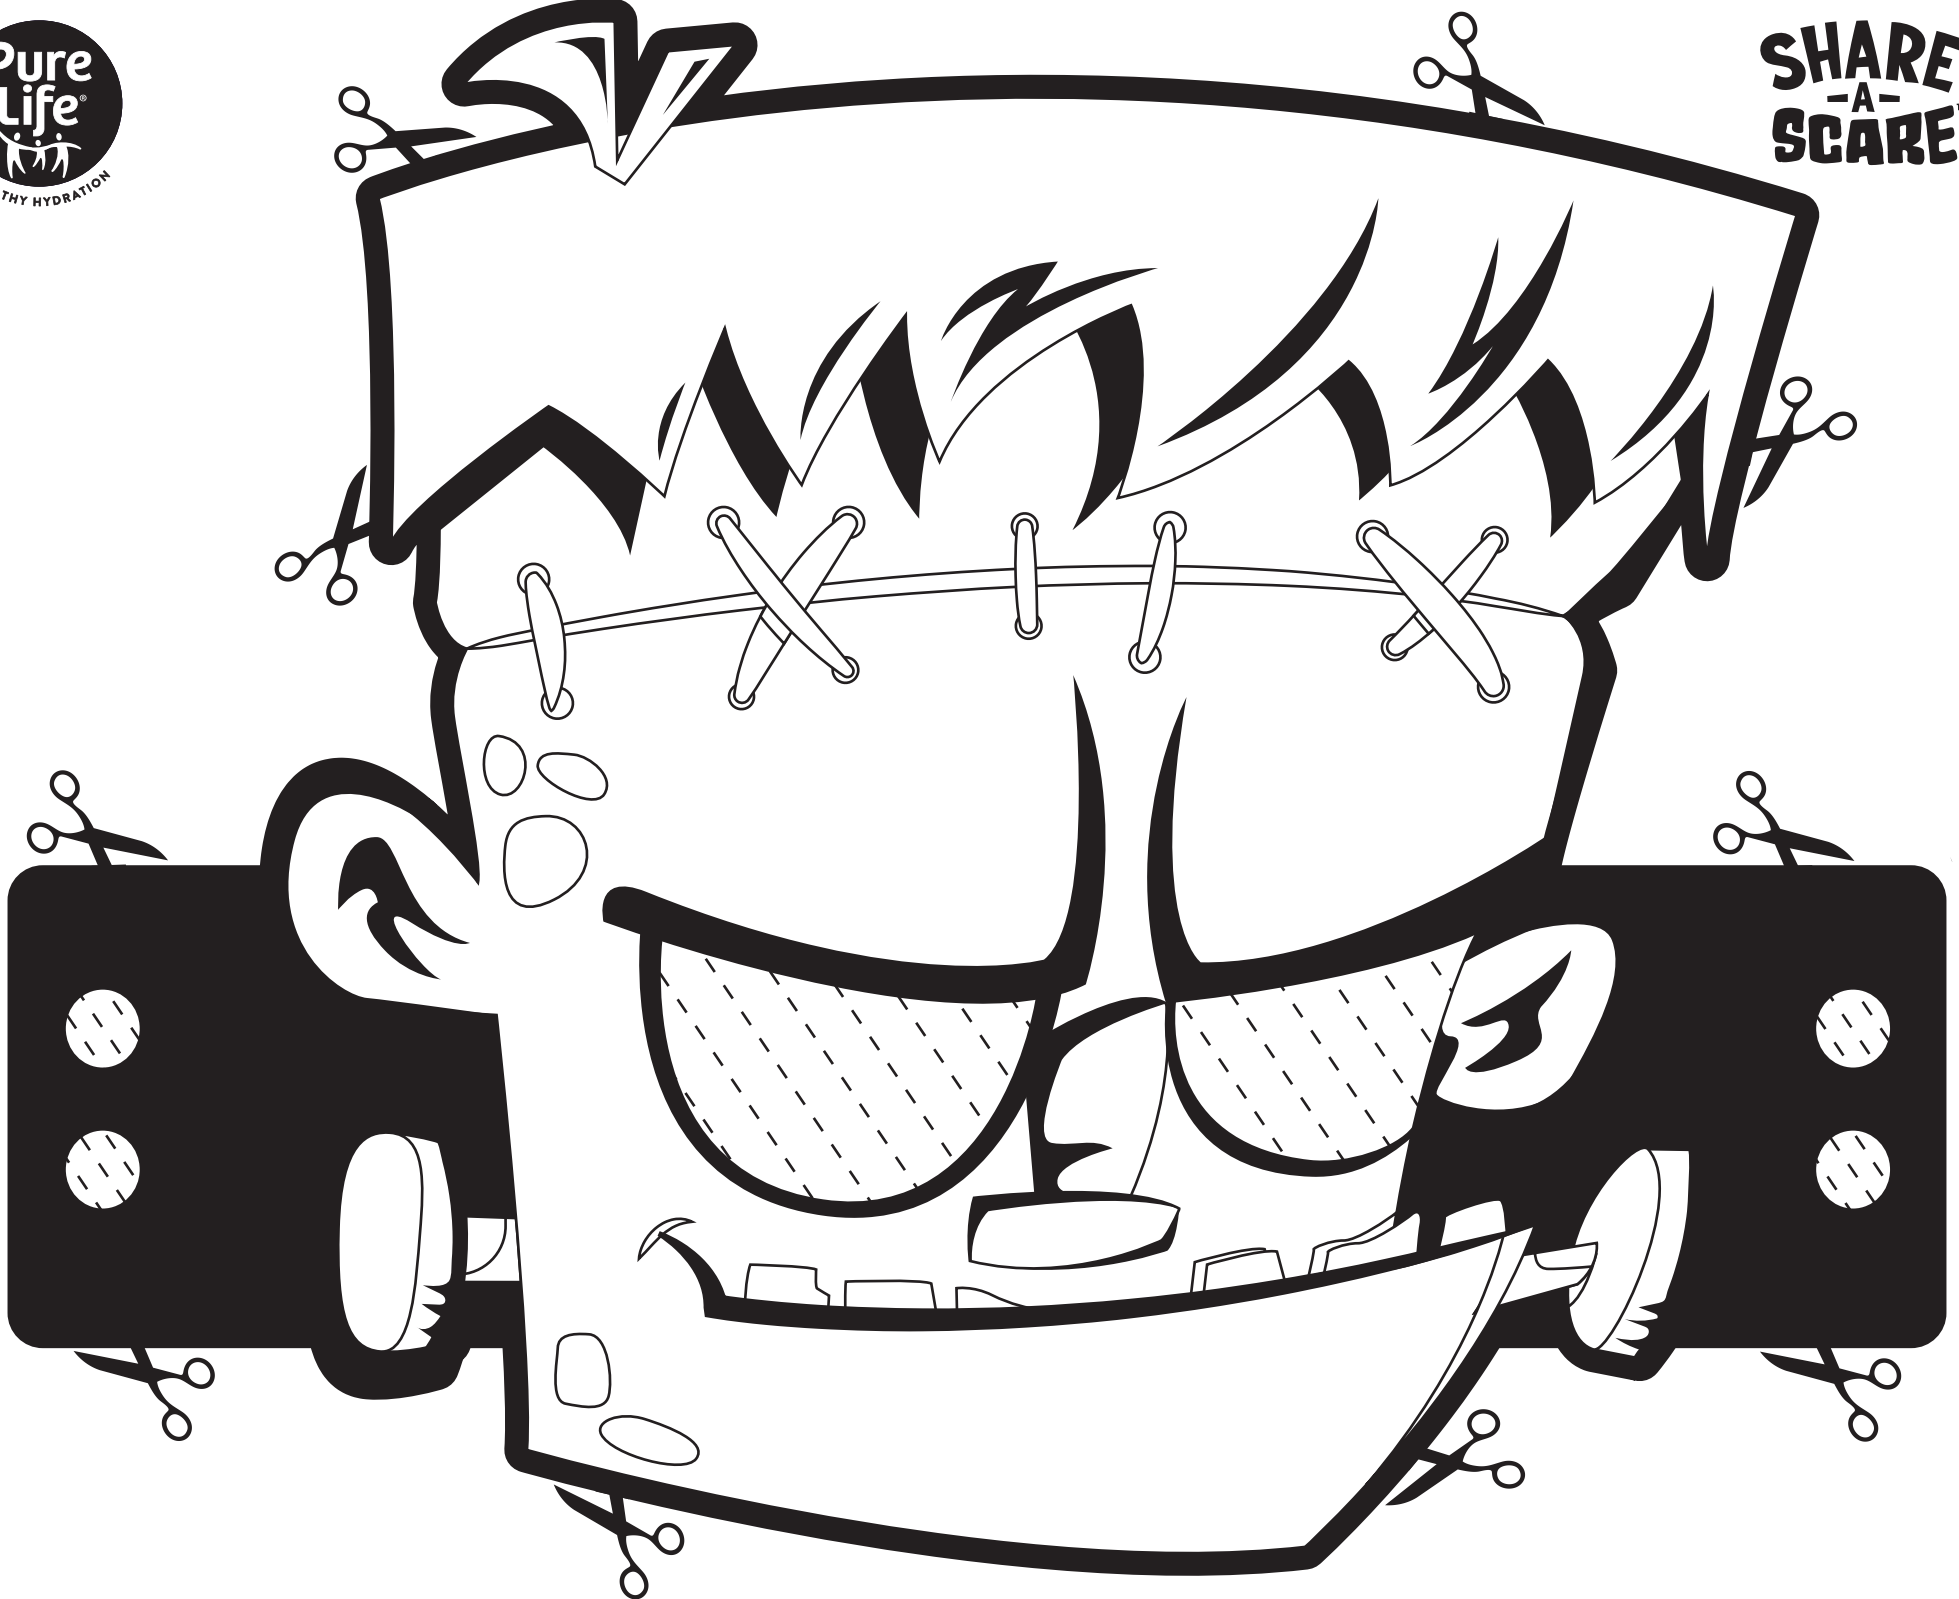

### Make your own mask

1. Print out the mask templates you want to color
2. Pick your favorite character to start with
3. Use your favorite crayons, paints, or colored pencils to color in the scary face
4. Once you finish coloring, get a parent to help cut out the mask along the outside edge
5. Cut out the eyes of the mask
6. Use a hole punch on either side of the mask
7. Measure a piece of yarn or string by holding it around the back of your head
8. Cut the yarn or string twice as long as what you measured
9. Thread the yarn through the holes on either side of the mask
10. Secure the mask to your face by tying the ends together behind your head
